II.—POINT OF ORDER *re* ORIGINATING OF THE DISCUSSION ON "EDUCATIONAL PATTERN" IN THE COUNCIL

MR. SPEAKER : Hon. Members may be aware of the point of order raised by the Hon. Leader of the Opposition on Saturday. He contended that starting discussion on the Educational pattern in the Assembly after it has been discussed in the Council is contrary to the practice of discussion of Bills, Resolutions, etc., in the Assembly first and then only transmitting them to the Council for discussion, and therefore affected the rights of the Assembly.

1st April 1963]

[Mr. Speaker]

The rights of the Assembly and the Council, with reference to the introduction and consideration of the Bills have been specifically enunciated in the Constitution. Article 198 says that a Money Bill should not be introduced in a Legislative Council. Article 207 says that a Bill making provision for any of the matters specified in sub-clauses (a) to (t) of Article 199 shall not be introduced in the Legislative Council.

It is therefore clear that Money Bills (Article 198) and other financial Bills (Article 207) shall not be introduced in the Legislative Council. Article 196 states that other Bills can be introduced and considered in any of the Houses. Accordingly such Bills have been introduced and considered in the Legislative Council on previous occasions.

There is no provision in the Constitution regarding Resolutions. But it may be stated that any resolution touching any of the matters referred to in Article 199 should also be considered in the Assembly first. Resolution on Educational pattern cannot be said to be a resolution of that type. There does not therefore seem to be any objection to the Council discussing the resolution first.

Therefore the point of order is ruled out.

SRI K. MOOKIAH THEVAR rose . . .

MR. SPEAKER : Does the hon. Member, Sri K. Mookiah Thevar want to speak in my ruling?

SRI K. MOOKIAH THEVAR : Not on the ' point of order ; ' but on a point of information, Sir....

MR. SPEAKER : If the hon. Member, Sri K. Mookiah Thevar wants to bring in any fresh matter, he should have brought it to my notice earlier.

SRI K. MOOKIAH THEVAR : A point of information, Sir...

MR. SPEAKER : If he wants to raise anything, there is no time now. It can be taken up afterwards.

III.—CALLING ATTENTION TO THE INADEQUACY OF SUPPLY OF WATER IN THE KRISHNAGIRI RESERVOIR PROJECT CANALS.

திரு. பி. வி. சீராமலு : தலைவர் அவர்களே, கிருஷ்ணாகிரி நீர்த் தேக்கத் திட்டத்தின் கீழ் உள்ள கால்வாய்களில் சுமார் 8,000 ஏக்கர் நிலத்திற்கு வழங்கப்படும் நீர் போதுமானதாக இல்லை என்ற அவசரப் போது முக்கியத்துவம் வாய்ந்த விஷயத்தை பொதுப்பணித்துறை அமைச்சர் அவர்களின் கவனத்திற்குக் கொண்டு வருகிறேன்.

(Mr. Deputy Speaker in the Chair)

THE HON. SRI V. RAMAIAH : Mr. Deputy Speaker, Sir, according to the tentative rules of regulation for the Krishnagiri
